

IMPORTANT UPDATE:

All services at ABC are now being held in-person. Click on “Service Times” below for a full schedule.

All in-person attendees will undergo a temperature screening before entering the building, must practice social distancing at all times when inside the building, and must wear a mask (masks provided if you don’t have your own).

In addition to in-person attendance, we have three “virtual” options available for all services, as well.

Option #1: Streaming on Facebook Live. Click [here](#) or on “ABC Facebook” at the top of this page. Once on the ABC Facebook page, scroll down and click on “Albemarle Baptist Church is now live” to access the stream.

Option #2: Streaming on the [ABC YouTube Channel.](#)

Option #3: “Parking Lot” church. All services are broadcast to the church parking lot and neighborhoods surrounding the church building on 105.9 FM.
