Brethren, my heart's desire and prayer to God for Israel is, that they might be saved. **ROMANS 10:1**

*Shalom Y'all,*

**May – June 2023**

**“The fruit of the righteous is a tree of life; and he that winneth souls is wise.” Proverbs 11:30**

We have been very busy these last couple of months with our soul winning program at the church for our VBS and our regular visitation which has given me opportunity to come upon many Jewish homes. I have been trying to alternate between Synagogue visits and regular Saturday morning soul winning time at UBC. Through the week I have been going back to visit the homes of Jewish people that have been gone on Saturday mornings probably in the Synagogue.

Pray for an elderly Jewish Lady I witnessed to just recently she was very nice and allowed me to give her several tracts about the Messiah. I will follow up with another visit soon her name is Margarite.

I was able to lead a young Hispanic man to the Savior just last month named Edgar please pray for him. I have been trying to follow up with him, about baptism and church membership, but his mom said he has a new job and has not been home a lot lately.

We are planning a big Soul winning blitz on the 4<sup>th</sup> of July in Atlanta for the Peachtree Road Race. Lighthouse Baptist church from Ashtabula, Ohio is planning on coming down to help us for a week. We are praying for many souls to be impacted with the Gospel on that day as well as other soul winning efforts that week.

I know I have requested prayer before for my Jewish cousin Arlene that lives in Florida, but now she needs prayer again and not just for salvation. She has just found out that she has Uterine Cancer. She is a breast cancer survivor. The cancer is back and has moved to the Uterus. I have been wanting to take my mom to Florida to visit her and speak to her about the Lord Jesus to make sure she is saved, now the Lord has pressed upon my heart again to go and see her.

Pray for my son Brent's best friend Bill Rudd and family. Bill's 8 yr. old daughter had tonsil removal surgery instead of keeping her in the hospital for observation they released her early she began to bleed from the surgery and lost 7 pints of blood which caused her to pass out and go into a coma on life support for a week and half finally dying this past Tuesday. The family is devastated over this routine surgery that went tragically wrong.

On a lighter note, I am so happy to say that Susie and I are celebrating 33 years of marriage tomorrow. I have been so blessed to have her in my life as my wife, best friend, and helper in the ministry. Praying for many more years in Gods service together.

We are so thankful for each and every church and individual that is able to prayerfully and financially support this ministry to God's chosen people. Its because of you we can PROVOKE THEM TO JEALOUSY!

**“I say then, Have they stumbled that they should fall? God forbid: but *rather* through their fall salvation is come unto the Gentiles, for to provoke them to jealousy.” Rom.11:11**

**“Pray for the Peace of Jerusalem: they shall prosper that love thee.” Psalm 122:6**
