### Evangelism Campaign:

Last month a team from our church hosted an evangelism campaign in a new village called Wangala. Wangala is about 100 miles from our church. The team was able to meet the Chief, canvas the village pass out tracts and invitations, and show a gospel film. Everything went well and the gospel was preached. Please pray for our church as we strive to reach other villages across Burkina Faso with the gospel.

God is still saving souls and this month we were able to see that again firsthand. This young man (Stephen) has been coming to our church for just over a month and this past Sunday he raised his hand to learn more about how he can be saved. One of our members was able to share the gospel with him and he trusted Christ as his savior.

### Salvation:

### Baptisms!

We had a special visitor this month. The general director for Vision Baptist Missions Travis Snode came and visited our church. He was able to preach for us and be a part of our special service. We baptized 8 people that got saved and completed the baptism course. A group of ladies came that morning at 4 AM to start cooking and preparing for the meal. We had a wonderful time eating and fellowshiping together after the baptismal service. It is exciting to see all the Lord is doing in our church plant. Please continue to pray for us as we seek to see more souls saved, baptized, and disciplined.
