Dear Pastors and Friends,

Please be praying for my wife Aimee, since my mother in law passed away yesterday afternoon from a major heart attack and is in the hands of her Redeemer. Aimee and Ali left this morning (6:50am) to be with her father and siblings and extended family. This evening the funeral home came to get her body and I will not know the proceedings until tomorrow in which Junior and I will make flight plans to join the family in Live Oak Florida.

We appreciate your prayer,

Jorge & Aimee Rodriguez (Mexico)
