1st Qtr Prayer Letter 2023!

It is the desire of our hearts to see the Spanish-speaking population of the United States evangelized with the Gospel of Jesus Christ and disciplined to reach others. Our vision is to assist established independent Baptist churches in beginning Spanish-speaking ministries of their own.

I first want to thank you all for your prayers and support over the last three months. It has been an adventure and at times, I must admit, scary. Following the Lord is not always easy, but it is always right. He is Good all the time!

I want to thank you for all you have done to help us with Turing the work over to the local leadership here to watch it move forward for the glory of God. Our last Sunday was January 29th. We had many goodbyes and many meals to say goodbye over.

Please pray with us for the following:

Please pray for safety as we transition back to North Carolina and our sending Church.

Please pray for safety and souls along the way as we begin to make the transition into visiting our supporting churches. We have already been able to get you scheduled, thank you for the quick responses. We look forward to seeing each of you at some point in the upcoming months.

also be our first year as empty-nesters! Please pray for Grant as he begins his new career as an EMT in Charlotte, NC. Please keep Grant in your prayers during this transition.

Please pray that we will be a blessing to each of you during this time. Please pray that as we travel we are able to stay sensitive to the souls that are around us so that we are sensitive to every impulse of the Spirit of God in our lives. We are looking forward to seeing folks saved during our travels as well as our personal soul-winning times.

Please pray for us as we move the remaining things we have in Texas to North Carolina.

Please pray with us about where God would have us go as we endeavor to stay the next work. This is vitally important as the Spanish-speaking people continue to come here. It is easy to pick a plea and go, but we want to go where God wants us. Please pray with us as we continue to represent you to this people group.

We are praying for each of you and are thankful to be partnered with some of the greatest churches out there.

Please also note our information change in the meantime.
