

Ministry Report:

Grief, Growth, and God's Faithfulness

Dear Faithful Friends,

We wanted to share a few updates and specific ways you can be praying for us and the ministry in Togo.

Prayer Requests

Recently, we experienced the loss of two of our students within a short period of time. This has been a heavy season for our student body. As we grieve, we would appreciate your prayers for their families, as well as for the students who are processing these losses. Even in this difficult time, we are reminded of God's faithfulness to sustain us and to be present with us in every season.

I will soon be traveling to Togo to record a class. Please pray for safe travel and for the recording process to go smoothly. Our hope is that this will create additional training opportunities and allow more students to benefit from the teaching in the future. We are trusting the Lord to use this in ways beyond what we can see.

Praises

We are thankful that, even during our absence, the ministry continues to move

forward well. It is a real encouragement to see God's faithfulness at work through the team and in the lives of those we serve.

We are also looking forward to classes taking place this month. Afterward, June will provide a short break from classes and an opportunity for rest before the next season begins.

Thank you so much for your continued prayers and support. We are truly grateful for your partnership in the work the Lord is doing in Togo.

The Afolabi Family
