

Togo Ministry Report: God is at Work in Togo

Dear Faithful Friends,

My family and I are now stateside for furlough. Before leaving Togo, we were thankful to be able to wrap up several ministries in a way that ensures they will continue strong during our absence. In April, May, and June, we were privileged to serve through the Bible Institute, a mobile clinic, and the prison ministry. We praise the Lord that many came to Christ through the prison ministry! Even more encouraging, those who trusted Christ have asked to begin a church within the prison. Please join us in praying for God's clear direction in this exciting opportunity.

Just before our departure, we also held a prayer breakfast with the pastors' mentorship group. What a blessing it was to hear their testimonies of how God is growing them in both their ministries and family life.

On a heavier note, one of the pastors in the mentorship group recently lost his wife. Please keep him, his daughter, extended family, and church family in your prayers during this difficult time.

We are deeply grateful for your faithful prayers and support. Your partnership

makes it possible for us to share Jesus with those who have never heard.

PRAYER REQUESTS:

- Furlough travels – We have many churches and individuals to visit.
- Our children – Pray that they continue to love the Lord and seek to please Him as they begin this school year.
- Pastoral training in Togo – Classes are scheduled through the end of the year; pray for fruitfulness and endurance.
- Prison ministry – Several who were saved in prison are asking for a church to be started there. Please pray for wisdom and discernment as we navigate this request.
- Grieving pastor – One of our pastors recently lost his wife. Please pray for comfort for his family and strength for the church during this time.

PRAISES:

- God has provided a vehicle for us to use during our furlough.
- The ministry in Togo is continuing to go well while we are away.
- We are thankful for the blessing of visiting our supporting churches—reconnecting with friends and making new ones. The fellowship has been a great encouragement.

- We praise God for His provision and protection on the road.
