

# ANDERSONS to CANTABRIA, Spain

Reunited!

*“And there came a voice out of the cloud, saying, This is my beloved Son, hear him.”*

We are thankful that God has allowed us to serve Him as missionaries in northern Spain. It is a great privilege to be able to share the Gospel and we look forward to people hearing it and trusting Jesus as their Saviour. We also want to thank all of you who faithfully pray for us and support the ministry here. You are an essential part that allows this ministry to keep moving forward. Below are some prayer requests and praises we would like to share with you.

Group from Texas leading worship in our home.

Katie and Faith finally made their way back to Spain July 24. After a long time apart we are very thankful to all be together again. Thank you for all of your prayers and support through this season. Katie’s surgery went well and she is working daily to build her strength back up. She still has a few limitations but God has allowed her to heal up well. Please pray for her continued progress.

Last month we were able to help the Ruesga’s as they hosted a group from Texas. It was a great opportunity to be encouraged and to encourage them as well. We use this time with groups to share with them the vision, let them meet and share a meal with the people we minister to, walk the town and get a glimpse of the culture, try to help them understand the religious and political barriers and spend time worshiping and praising the Lord together. Music is a great tool to use to minister to people in Spain. You can see their countenances change when listening to good Christ honoring music and seeing people gather together to sing to the Lord. Often they do not understand the words but their hearts know.

Neighbor kids baking cookies.

Faith has started up Futbol training which is always an exciting time for us. Faith gets to reconnect with many of the girls she went to Academy with and we reconnect with their parents. Please pray that God would give us opportunities to share the Gospel this season during practices and games.

Great news on the progress of our visa renewals. Our lawyer has successfully applied to the Spanish immigration department. Now we wait for a reply and hope that the process can be finalized soon. Please pray the government would have everything they need and make a positive decision so we could get our visas.

Praise the Lord we have been able to give some Bibles out to our friends here. We have a couple left so pray we can distribute those and also that the people would read them and want to know how to be saved.

Faith at futbol practice.

God bless you all,  
The Andersons
