God is faithful, powerful and always merciful. We are continually reminded of this by the way He works in our lives and the people here in Santander. We also see it in the way He encourages us through YOU. Thank you for your prayers and support. Our hope is that God would bless you as much as you bless us!

Below are some of the highlights and projects we have been working on this summer. It is exciting to see God working and we are looking forward to more things to come.

## The Perez Family Has Arrived!

We are so excited to share that the **Perez family has officially arrived!** It has been such a joy to see them get settled and begin building friendships with them. God has been so gracious - He has even blessed the completion of their paperwork and accounts in record time. What normally takes months has been processed quickly, and we see His hand clearly in all of it.

## Searching for a Place to Worship

One of our biggest needs right now is finding a **building to rent for church services**. We have been diligently searching, but so far we haven't had success. The challenges are real:

- Very few places are available to rent.
- Many owners are hesitant to rent to us for church purposes.
- The spaces that are available are very expensive.

Please pray with us that God will soon provide the right place.

## New Project: A Church Van

We are excited to begin a new project - **raising support for a church van!** Each Sunday, we will need to transport all of our audio and video equipment to the building we rent. A van will make this possible and also serve as a blessing to:

- Transport individuals and families that need a ride to church.
- Support other church activities and outreach events.

**Our goal is to raise \$25,000 to purchase a reliable used van.**  
**Would you prayerfully consider helping us reach this goal?**

## Prayer Requests

- The Gaona Family - Pray for their visas to be approved soon so they can come to help us as part of our team.
- Housing needs for both the Gaona and the Perez families. Finding places to rent for families is also very difficult right now.
- Our family here and back in the states.

The Gaona Family

Thank you for standing with us in prayer, encouragement, and support. We are continually amazed by God's provision and excited for what He is doing!

~Thank you, the Andersons
