CHURCH PLANTING MISSIONARIES TO ECUADOR
KASON, BETHANY, JAXON, NOAH

Dear Friends and Prayer Partners,

This past November has been an incredibly special month for our church, filled with spiritual growth, fellowship, and outreach opportunities.

One of the highlights was our annual missions conference, held during the second week of the month. The conference was an incredible time of reflection, learning, and renewed passion for sharing the Gospel globally. On Saturday evening, we hosted an international dinner, where members prepared dishes from around the world. The variety of flavors and creativity on display made it a memorable evening, and we awarded a prize for the best dish. Sunday morning was equally impactful, as each Sunday School class focused on a specific continent, sharing presentations about the culture, cuisine, and missions history of that region. This allowed our congregation to better understand the unique challenges and opportunities for spreading the Gospel in different parts of the world. To conclude the weekend, we had the privilege of hearing a powerful sermon from a visiting missionary, which further inspired us to remain steadfast in our commitment to missions.

On November 17th, we experienced another joyful occasion with a baptism service. Seven individuals publicly declared their faith in Christ, taking this vital step of obedience and commitment. It was a beautiful testimony of God's work in their lives and a reminder of His faithfulness in transforming hearts. As a church, we were deeply moved by their decision, and we gathered together to pray for their continued spiritual growth and discipleship. These moments remind us of the importance of investing in people's lives and walking alongside them in their journey of faith. Please join us in praying for these new believers as they grow in their understanding of God's Word and their relationship with Him.

As we transition into December, our hearts are full of anticipation for the Christmas season and the opportunities it brings to share the love of Christ. We have several evangelistic events planned, including community outreach activities, special services, and gatherings designed to reach people with the Gospel. The Christmas season is a unique time when hearts are often more open to the message of hope and salvation, and we are prayerfully preparing to make the most of this season. Please pray for God's blessing on these events—that many will come to know the joy of salvation through Christ and that our church will be a beacon of His light in our community.

Thank you for standing with us in prayer and support. We are grateful for all that God has done in November and are looking forward to seeing how He will continue to work in the coming month. May this Christmas season be a time of reflection, celebration, and renewal for all of us as we focus on the greatest gift ever given—our Savior, Jesus Christ.

Gratefully, The Blooms
