CHURCH PLANTING MISSIONARIES TO ECUADOR  
KASON, BETHANY, JAXON, NOAH

Dear Friends and Prayer Partners,

We are incredibly grateful for all that God has done throughout October.

This past month, we were blessed to have several missionaries visit our church. Hearing their stories and being reminded of the Great Commission was truly inspiring. In just two weeks, we will hold our missions conference, and we are praying for the opportunity to support even more missionaries. It is our desire for the church to be a mission-driven church that actively supports missionaries worldwide.

We recently wrapped up a Sunday School competition that ran for two months, culminating this past Sunday. The competition included the Men's, Women's, and Youth Sunday School classes, with points awarded for attendance, bringing Bibles, inviting visitors, and memorizing verses. The Youth class won, but it was wonderful to see everyone engaged in Sunday School and deepening their knowledge of God's Word.

We've also introduced a monthly Q&A session during our Thursday night services. This time has been helpful for addressing biblical questions on various topics, and we are grateful for the opportunity to learn and grow together.

Additionally, we have begun discipleship with several families, and we are thrilled to be holding baptisms next month. We are excited to witness these individuals taking this step of faith.

Please continue to pray for the people of our church and for Ecuador, as we are experiencing daily power outages lasting 10-12 hours. These cuts make it challenging for many to work and support their families.

Thank you for your continued prayers and support!

God Bless,

The Blooms
