

THE BROWN FAMILY

YOUR MISSIONARIES TO THE ARMED FORCES

Dear Praying Friends,

June 2025

"God is faithful, by whom ye were called unto the fellowship of his Son Jesus Christ our Lord." 1 Cor 1:9

We are already half way through another year and are thankful for how we are seeing God work. Your faithful prayers and financial support keep us on the front lines.

Opportunities to Serve

Our focus is on our primary mission field --- those needing to hear and respond to the Gospel of Jesus Christ. We thank God for every Gospel seed-sowing opportunity (like a preaching service in Florida where Angel prayed to receive Christ). We are also excited when God stirs the hearts of military members, past or present, about the need to reach their fellow warriors in uniform in a specific way. God brought one such couple across Kevin's path in May.

Eli and Hannah were in the final weeks of their engagement when Kevin met them. Both were faithfully serving in churches near military bases. Eli previously served in the Army and Hannah was a dependent who had lived on or near military bases all her life. Looking forward to their new life together, they sensed God's leading to start a concentrated military outreach ministry through their church which is located right outside the gate of an Army base in Alabama. We had a wonderful time discussing some of the possibilities for that Gospel-centered military ministry and Kevin looks forward to staying in contact with them as they move forward. Join us in praying that they and their church will see God work powerfully.

Down Memory Lane

Ministry in recent weeks has meant a return to familiar "stomping" grounds. Preaching in a fundamental church located very close to the base where Kevin attended helicopter flight training years ago, encouraged his heart. It was not there when he was assigned there. Returning to minster in a vibrant, Bible-preaching church outside Fort Bragg, NC reminded

Kevin of how our family was strengthened by that faithful pastor and church more than 30 years ago.

Travel to New England included ministry in churches in Maine (where Kevin grew up) and in New Hampshire (where he was born). One of the churches in central Maine is located less than a mile from an Air National Guard Base and is the only fundamental church in that city. We thank God for their Gospel witness and for their burden for the military serving nearby.

Family News

We look forward to welcoming our next grandson in August. Please pray for Bekah and Nathaniel during this final trimester. Their family is excited to meet God's newest gift (and so are we!!).

We are also excited that our youngest son, Tim, and his wife, Katelyn, are expecting their first child in late October. Please pray as God prepares them for the wonderful privilege of parenting.

Praising God:

- For a wonderful visit with the Drylie family in Vicenza, Italy. Missionary Tim Drylie is faithfully reaching our military through Vicenza Baptist Church.
- For Angel who professed faith in Christ at the end of a recent Bible preaching opportunity. He was all smiles as he shared that news with his pastor. Gratefully, Angel is at a church that focuses on discipleship for new believers.

Please pray:

- For Colton, a strong believer who is leaving the Army in CSP program. Pray God provides him a good church where he can grow and serve.
- For Angel who needs to grow in his new faith in Christ.

Thank you as always dear friends.

Kevin and Michelle Brown
