June 2024

Over the past two months we have seen 5 salvations and 9 visitors. We have had a ladies meeting, mens meeting and we have had two church luncheons! What a blessing to serve the Lord!

I have spoken before regarding how many hispanics lack roots or stability here in the States. Often times we find some of them jumping from city to city only staying 2-3 months at a time. I have spoken mostly on the negative affects on the ministry. But I want to share an example of how this ministry has a bigger reach due to this.

We had a gentlemen in our church who got saved and was growing in the Lord. But after a few months, due to less work in Columbus, he moved to another city to find work. A few weeks go by and we get a call from him saying he just led one of his co-workers to the Lord! He had been sharing his testimony to his co-worker and after several days his co-worker got on his knees and asked Christ to be his personal Lord and Savior at the job site!

What a blessing to hear how the Lord is working! So many times we think of how many we are reaching through the eyes of our attendance on Sundays, but, in reality the “tentacles” of ministry reach far beyond. Another example we have had recently, we have a single lady that has been coming for over a year now. She had a burden to reach her family in Mexico with the gospel. Where they live there is no gospel witness. Through this lady sharing her testimony and what God is doing in her life on FaceTime calls- Her parents have accepted Christ as their Savior.

Like these situations, we see many who are here for a brief time and go to other cities. Many times arriving in cities that have no Spanish church to attend. God is laying on my heart to start a channel on-line where I can upload our services and devotionals so that those who do not have a church near them can hear the word of God. I am excited where God can take this and how He can use it for His honor and glory. Please be in prayer with us as we start this ministry. Our goal is to reach others with the gospel and see them grow in Christ.

This next month we will be having VBS for the kids and having two missionaries come in and present their ministries. We appreciate your prayers and support of this ministry that God has called us. We see it as a great honor to serve the Lord.

May God bless you as you serve Him for His honor and glory!
