2 Timothy 2:15 says “ Study to shew thyself approved unto God, a workman that needed not to be ashamed, rightly dividing the word of truth.” This is one thing that we are working on in on Sunday school classes and in our Wednesday evening services— focusing on knowing what the Bible teaches and knowing what we believe. Often times, people attend church for months or even years and do not know what they believe.

We have people in our church who come from over ten different countries, some of them come from pentecostal, catholic or even agnostic backgrounds and some are finding Jesus for the first time in our church. The need is great to teach them the Bible and for them to understand the “basics of the Bible.” The need is great to reach THIS generation of Hispanics for God’s glory. And this is our goal! To preach Jesus to those who are in our paths.

This month we had a special Mother’s Day luncheon where we had several visitors. We are also getting ready to celebrate Father’s Day with a day of fishing at a local lake. The goal is to invite others who may not come to a church service to “get to know us” but will come to a more relaxed activity. Through these types of events we can make

connections and Lord willing they come to church. We have reached several through this way of activities.

We have also been doing visitation in areas where we know that hispanics live. But currently, we are finding this to be challenging for people to answer their doors when they do not know us. Due to the immigration situation, many are very nervous and do not have confidence in anyone they do not know. But we have seen God work and we are continuing to see visitors.

We ask that you keep us in your prayers as we continue reaching people with the gospel of Christ. We are blessed to be a part of what God is doing. Thank you for partnering with us as we serve the Lord reaching the Hispanics for Christ.

God Bless,
