March 2025

Ministry just like life has its ups and down and even a curveball once in a while. These last two months has been a mix of all of these, but, I choose to focus on the amazing things that God has done!

For the last 4 months we have been working on discipleship. Through this we have seen that we have a broad and diverse group of Biblical knowledge. We have almost extremes in some areas. We have some people who are babes in Christ and are learning the basic bible stories and we have a group that is more advanced and needs to learn more doctrines and how to grow in their personal relationship with Christ. So I have “restructured our Sunday School to try and meet each groups needs.

Since the beginning of March we have been splitting our Sunday School into two groups. Each group is teaching a specific subject for 3-4 weeks and then I do a combined lesson on the last week to bring it all together. Then we start another cycle with new subjects. We are excited to see how the Lord will use this. In the future we plan on having: women and mens classes, single and married classes and others. Please pray that this may be a blessing

to see the Lord grow stronger Christians that are eager to follow Him and His leading in their lives.

Another huge blessing was the ability to have a baptism service where we saw 6 people follow the Lord in baptism. This is a huge blessing to see people following the Lord in the first steps of obedience. Please continue to pray for them as they grow in their relationship with Christ.

A new thing that we will be implementing is visitations as a group. But we will be doing some of them on Saturdays and some on Sunday afternoons. We have many people who work on Saturday and can make it. So we want to have the opportunity for all of them to participate. And this allows for us to possibly reach people who would not be home on Saturday. The plan is when we have visitation on Sunday is to have lunch then go out in groups. We appreciate your prayers as we continue forward following the Lord with this ministry. It is the Lord's and we want to follow Him.

Thank you for your prayers and your support of this ministry.

God Bless,

Ivan, Susan, Chloe, Sofia and James Chacon
