January 2025 - Prayer Letter

Greetings pastors, prayer partners, & friends,

Wishing you and your church a Happy New Year from the Fiji Islands. We thank the Lord for His working in 2024 and are excited to see what the Lord will do in 2025! Thank you for your partnership in reaching Fiji with the Gospel. Thank you also for your kindness and generosity toward our family and ministry. We want to say a special thank you to all that sent us extra for Christmas.

Fiji Airways has just opened a new flight route through Dallas with special introductory pricing. Frances was able to fly back with baby Paul to Connecticut for two weeks to be with her parents for Christmas!

Highlights from the Last Few Months of 2024

- Our crate finally arrived in October! Thank you again to all that were a part of this project.
- Evangelist Chris Miller held special meetings at our church in October. We had a special First Responders Night and were blessed by six firefighters that attended that service. We were able to honor them and give each a special edition First Responders New Testament which just arrived in the crate. The greatest gift they each received that night was the gift of eternal life!
- In November, Mikayah graduated from a local kindergarten. This was a great opportunity for us to meet more people in the community.
- We rejoice in souls we have seen saved! Subarmani, his wife Reena, and daughter Shiwani all prayed to receive Christ as Savior. (*We asked you to pray for them in our last prayer letter.*) Also Ben that we asked prayer for, has been born again! A former Hindu boy, who found Christ, recently started attending our church. He has brought his mother to church the last two Sundays and just this week, Frances visited with her and she accepted Christ as Savior. Pray for Vinal (son) and Rodeen (mother) to grow in Christ. Pray for Vinal's father now to receive Christ.

A Look Forward to 2025

- **CAMP:** We have a **Mini Youth Camp** scheduled for **16th-18th of January**. Please pray for our camp speaker, Brother Tim Meyer. He will fly from Australia to preach camp for us. Please pray for good weather and the Lord to work mightily in the hearts of the people who attend.
- **KINDERGARTEN:** It has been in our hearts and prayers for several years to start a Christian school. We have taken the first step by applying to register a Kindergarten. Please pray the Lord will direct and provide for this great ministry. We believe it will enable us to reach further into our community and reach children and their parents with the Gospel.
- **BUILDING PROJECT:** Our prayer this year is to erect a dormitory building on the camp property. Our camps can be greatly hindered with bad weather because we currently use tents to house most of the people that come to camp. A dormitory would allow us to do more with our camp ministry, host missions teams and even use it for classrooms, if the Lord allows us to establish a school. **Our goal is to raise \$45,000 USD for this project.** We are also looking for some teams to come over this summer and help us with the construction. If you have any questions or would be willing to consider coming over on a construction team, please reach out. Fiji Airways is still offering good fares to fly through Dallas, but not sure how long this will last. Please send finances toward this project to CMC and mark it **"DAKJ - Building Project"**. **We look forward to sharing in 2025 how the Lord continues to answer your prayers on our behalf in the Fiji Islands.**
