We are pleased with what we have been able to accomplish on both sides of the Gulf of America during these three months. We pray that, as we return to Peru shortly, the church is ready to take the next steps forward.

Weston David Dassow was born on Saturday, June 7. Naomi had some complications afterward delivery, which delayed her discharge from the hospital. However, both mom and baby (and dad) are doing great. He is named after Jennifer's father and was born on the 5th anniversary of his homegoing, so it was a very special and emotional day.

When local, we have attended the church of one of our close friends and a former member of our youth group. He has been pastoring at this church for seven years and has done a wonderful job reviving the work. He asked Stacy to preach on June 8. When we return later in the year, we will reconnect with the families of Faith Baptist Church in Jefferson.

It was nice to celebrate both Mother's and Father's Days with the family this year. We went to church with Rebekah and her fiancé, then out to dinner with them. We spent the evening with Matt, Naomi, and Weston.

On the 22nd, we were back in North Carolina to update two of our supporting churches in Lexington and Salisbury. We enjoyed some fellowship with both churches over that weekend.

Stacy was also able to meet pastor Pedro Palma of the seminary in Chile for the first time face-to-face. Since both were within an hour of each other, they met for breakfast in North Carolina. In addition to the regular seminary options, they may expand to offer a clearinghouse or mission agency for national Hispanic missionaries. Please pray for God's direction.

Gospel Light has called Caleb Waycaster to be their new pastor. We pray that the transition will go smoothly, and the Lord's will be accomplished.

The only thing left undone was to get a primary care physician set up for Stacy and a neurologist appointment for Jennifer. Finding doctors who take new patients, accept our international insurance, and can see you in a reasonable timeframe has been challenging. So, we will try again later in the year.

Tim, Kathryn, and Evie are doing great, as are Matt and Hannah. Hannah has started a full-time job with the college. Jacob and Rebekah are looking at houses while finalizing wedding plans. Please pray for wisdom.

As always, we appreciate your faithful prayer support and financial investment for our family and the ministries in Peru.

Until the nets are full,
Stacy & Jennifer Dassow
