Prayer Requests

Prayer Requests:

- Misión Bautista Luz del Evangelio Ampliación Santa Rosa
- Christmas in Peru fundraiser
- Upcoming activities

As we reflect on the past month, we have so much to be thankful for. Rejoice with us as we share the blessings we received.

First, we praise the Lord for answered prayer. The new mission in Santa Rosa is doing incredibly well. Each week, we see an increasing number of children and families participating.

Second, we praise the Lord that the transition of the church in Manchay to national leadership is progressing as planned. Pastor Alex and the leadership team are taking the responsibilities they have been given and are honoring the Lord with their service. Stacy meets with Pastor Alex each week to continue his ministerial training and preparation to become the next lead pastor.

Third, the need for our next vehicle has been met. We have received notice that one of our supporting churches has set aside a fixed amount that we can use once we find the vehicle we believe would best suit our needs going forward.

Fourth, we are grateful for God's guidance regarding our future. Once the transition has been completed in Manchay, we see the Lord directing us toward global missions in the preparation of national pastors and missionaries, both educationally and financially. It is no accident that the Lord has opened the door to work with Jeremiah 38 Ministries in various countries, to teach students weekly from all over Latin America, and to pursue an advanced degree to gain additional expertise.

Finally, it has been such a blessing to have time with family and friends over the Thanksgiving holiday. The planned absences from the

church in no way indicate that we are on vacation, but they have provided some extended time that we can also use to enjoy time with those we love and care about while still ministering from a distance. As we conclude this installation, please pray for the students of our homeschool ministry as they prepare to wrap up their school year in a few weeks.

Please also consider giving to our Christmas in Peru fundraiser. Each \$5 we receive provides a small gift and Christmas celebration, allowing people to hear the Gospel and be saved. We have only reached about 20% of our goal, so we have a lot of ground to cover if we hope to bless 1,000 children this year. The link is: <https://gofund.me/702f4f75c>

Have a very Merry Christmas and a Happy New Year!
