Thank you for keeping us in your prayers during the month of October. It was truly memorable.

As mentioned in the previous newsletter, Stacy finished September and started October in Masisea with the smaller Jeremiah 38 medical team. In addition to the medical clinics, Stacy was asked to preach several times at the local church that we have ministered to since 2016. The team was able to provide medical attention to nearly 800 individuals in Masisea and the surrounding communities.

The church unanimously approved the amendments proposed by the leadership team. We are very pleased that the church is demonstrating maturing in the decision making and working together as a team to advance the work under the shared direction of our pastors. Please continue to pray for Pastor Alex as he assumes more responsibility during the next several months.

As you can imagine, our hearts are full of joy as we celebrated the marriage of Rebekah and Jacob. Not only was it a spectacular event that incorporated their unique personalities, but also a special time when all the family members were together in one place. We were absolutely amazed at how everything came together without a glitch and how the Lord was magnified in the activities.

We have been asked to form part of the board of directors for a mission clearinghouse. Mision Logos Mission is a partner ministry to the seminary that Stacy has taught for since the fall of 2024. We are excited for another open door to put the doctoral studies into practice and positively impact the lives of national servants who desire to reach their people for Christ.

We cannot express our appreciation enough for the responses we have received to the needs presented for the new work. We now have all needs met thanks to the last donation we received. The first official activity will be Sunday, November 1 so please be in prayer for Percy and his family as they lead that work in cooperation with the church in Manchay.

Since 2022, we have been helping less-fortunate children throughout Peru celebrate Christmas. For only \$5 per child, we can provide a small gift and a traditional snack. Last year, we raised enough funds to help over 750 children. If you would like to help, please send a donation to Gospel Light GLM International marked "Christmas in Peru."

Happy Thanksgiving—God has truly been overwhelmingly gracious.

Until the Nets are Full,
