May-June 2025 [PRAYER LETTER]

Dear Friends and Supporters,

THE FURLOUGH TRAIL – We have traveled over 40,000 miles now in our little Honda Civic, and God has taken care of us every step of the way. The Lord goes before us. I just wanted to thank you for mentioning us to the Lord in your prayers, and want you to know hears you. My wife is a long way from home, but she is thrilled to meet new friends and minister, and receive encouragement at ever stop along the way.

MIRACLE UNDER THE MANGO TREE

– Jireh is a young man, now 18 years old, In 2013 we met him while doing Saturday morning good news classes under the mango tree in his village. Jireh would come to the class, and really just cause a lot of problems, sometimes talking back to the teacher, and just not obeying at all. Still, we saw a lot of potential in him, and we knew how much the Lord loved that young, troubled boy. We soon found out his story. His mom had recently died and his dad was a drug dealer who was in prison for narcotics and a murder charge. He survived on his own by asking the neighbors for food at meal times. Prior to all this

we all he knew was being the smuggler for his father's narcotics business. Needless to say, Jireh just needed someone to love and care for his precious soul, and most of all he needed a Savior. Through much effort, and a whole lot of patience, we slowly saw that troublemaker boy yield himself to the Lord. He was saved a couple years ago, and is now a

great spiritual leader in his village youth community. Most importantly he has become a soulwinner! This is something that only the Lord can do. Jireh has already surrendered his life for the gospel ministry and is training to be a pastor in

our Bible College. Coincidentally, he is now teaching that same children's Bible class under that mango tree that we started many years ago. Salvation is still a miracle, isn't it?

SOULS SAVED – We were blessed to recently present at Victory Baptist Church in Shelbyville, TN under the leadership of Pastor Lloyd Warren. I was privileged to preach in the mid-week service and saw two precious souls named Deegan and Arian saved that night. It was particularly encouraging for me as gospel preacher. Words cannot explain the joy and encouragement I encountered that night to see the joy and glee on the faces of new converts.

BIBLES & SHIPPING CONTAINER – God has allowed us an opportunity to have KJV Bibles shipped over to our church in the Philippines through *Bible & Missionary Literature* in Tennessee. This shipment will contain valuable resources for us as missionaries and local pastors in the Philippines such as KJV Bibles, John & Romans and New Testaments. We will need to raise about \$5,000 and \$900 has already come in. If you would like to help, please send all gifts to BIMi with Designation of, "Shipping Container/Bibles, Frank Denisi, #1437"

PODCAST – We were recently featured on the BIMi Moments for Missions Podcast with Dr. J.B. Godfrey. Please, take time to listen to it here on the QR code.

PRAYER REQUESTS – Please, continue to pray for my wife's US citizenship. We need to take care of that before we head back to the mission field. Pray also for a new church plant that we are praying for in the northern part of Cebu. We are seeking the Lord's will and provision for a Bible Campground for our youth, and deaf ministries.
