Dear Praying Friends and Co-workers in the Lord's harvest,

The Lord graciously continues to bless as we serve Him here in New South Wales in Australia – we are very grateful for His work in us, through us, and *in spite of* us! We could not be here without your prayers and financial support; and we consider all that the Lord accomplished here to be fruit that abounds to your account (Philippians 4:17).

At **Shoalhaven Baptist Church** in Nowra, we can report that the Lord has gloriously saved another young couple named Mitch and Breanna! After attending a few services with their young children, it became evident that they were under conviction, and that soon led to repentance and calling on the Lord to save them from sin and Hell! Their discipleship and growth has been phenomenal. They were baptized yesterday after our morning church service, and they plan to end their disobedient living in sin as an unmarried couple by getting married next month. Praise the Lord!

Young Leah was baptized with Mitch and Breanna, and several unsaved family and friends attended the church service and/or baptism. Pastor Reeve preached a good Gospel message on the Emmaus Road Walk. Christie, who called on the Lord a few months ago and then drifted away, was there.

Please pray for Pastor Reeve and his family to get secular work in the local area and move closer to the church as they presently drive over an hour for the services and activities.

Many Aussie Independent Baptist pastors and congregations attended the National Baptist Fellowship the first week in October, where the Lord used the preaching and fellowship to challenge and edify many. Some of our people who attended have been stirred in a spiritual manner that has prompted conversations with me to hold them accountable and get them more involved in our church ministries. Amen!

SBC people who attended the recent NBF

Baptisms last Sunday!

At **Lighthouse Bible Baptist Church**, the attendance is waning. Please pray that the efforts to evangelize the lost and edify the saints will result in more salvations and a growing church attendance. Pray also as the Lord deals and directs regarding the results of serious immorality, vicious slander by the perpetrator of the immorality, and for the devastating spiritual apathy that is prevalent in the small congregation. Pray for Pastor Rod Skelton as leadership decisions must be made and carried out wisely.

I have been teaching only one class at **Sydney Bible Baptist College** this year, and that by Zoom; but plans are in place to teach a morning and evening class on site next year. Pray for graduates to serve faithfully in their churches and for those called into ministry to begin their deputation, evangelism, or church planting ministries as the Lord leads.

**Thank you for your prayers and financial support received in August & September!**

Jon & Marie Hall and Family
