

The Hawes Family

Missionaries to Papua New Guinea

Dear Praying Brothers and Sisters,

May 24, 2025

We have so much to thank the Lord for this month. God has so graciously provided through you all, and we have ordered the first container load of student Bibles. Any additional funds will go toward the next order of teacher Bibles. Thank you for your many sacrifices!

The training trip to Manus Island ended wonderfully, but started with a coldness we never faced before. After much prayer, God gave us the breakthrough in our teaching on the third day. To our great joy we also discovered one of our GBBC graduates had already been leading a Bible Club in the public school close to his church.

We had a great need for additional vehicles as we seek to expand over 10,000 students. The need was urgent since Land Cruisers are backordered for 14 months. Since we were raising funds for Bibles, we made the need known to God praying earnestly. God prompted a Christian business man to contact us and he has committed to send funds to buy two new Land Cruisers. We are so overwhelmed by the Lord's goodness and provision! We want to say thank you to those who have been praying and fasting with us. God has answered your prayers!

Tim's Mom was diagnosed with cancer and had a successful surgery the end of February. She is now undergoing Chemo. We greatly appreciate our sending church being there for them when we are so far away. Please pray for the Lord's healing and limited side effects from chemo.

The new printer has arrived in the capital, but we need prayer as it has been stuck there for a couple weeks. It will fit on the planes that fly to Goroka, but as it is so heavy, they do not have the available weight capacity to carry it up it seems.

Praise God the Education Department has now received our curriculum and is in the process of reviewing it. The goal is for it to be an official resource book for the public schools. These processes can drag out and we need God's blessing for a speedy favorable answer.

We are so grateful to The Crown College of the Bible for sending the New Testament Church Pioneers to PNG again. We will be doing three huge Bible Club competitions on June 3, 4, and 5. Please be in prayer as the number one reason is to give the students an opportunity to accept Christ when we have time to counsel them one-on-one. We do not always have much time in the classroom during regular school days. We are so grateful for Lance coming back to fix our many mechanical issues.

Once again, we ask you when you come to a school crossing to slow down and pray for the Bible Clubs that God would send true revival.

**For His glory,
Tim, Leandra, Lydia, and Levi Hawes**
