# HOLT

Katie, Joshua, Andrew

Chile Church Planter & Latin America Director for VBM

Serving Since 2001

DECEMBER 2025

## We are one step closer to having a Church Property in Vallenar!

A couple of months ago, we asked you to pray for a church plant in Vallenar, Chile, that has outgrown its rented building and urgently needs a larger, permanent church building. The local church is saving, praying, and looking for a good option. They need at least \$85,000 for this need. By God's grace, we already have \$5,000 committed for this need! Praise the Lord. This puts us one step closer to the goal.

### Would you pray about giving to help us buy a piece of property for this church?

Your gift will allow them to reach more souls in the city of Vallenar. If God leads you to partner with this church, send your gift to: Vision Baptist Missions, PO Box 647, Dawsonville, GA 30534, Memo: Chile Church Planting Vallenar, or give online at <https://visionmissions.com/project-detail/chile-church-planting-land>.

## God is working in the Southern Islands of Chile

Lori and I watched closely as several church members from these remote islands built a fire in a hole in the ground that would soon turn into an earthen oven filled with shellfish, pork, and chicken placed on hot rocks, all covered with large leaves and dirt. This was our welcoming meal on Chiloé! Before the weekend was over, I preached at two churches and led a meeting to help one of them become more organized as a church plant. One of the new believers even came to the meeting by boat (pictured here)!

## Other Random Highlights from November

- Lori traveled to northern Chile and spoke several times at a ladies' conference in Iquique. God used her to encourage the ladies from several northern churches.
- The Chile Baptist College organized a retreat for young adults that focused on "faithfulness." **We had over 80 in attendance**, and God worked in many hearts. I had the opportunity to teach one of the workshops.
- We enjoyed our annual tradition of **celebrating a traditional Thanksgiving Day meal with our VBM team**—the Carriers, the Shreves, and Tracy Paver. We're so thankful to serve alongside them!
- **Liberty Baptist Church celebrated its 10th anniversary!** It was so encouraging to see video testimonies from the five young pastors who have been sent out of LBC in the last decade. Praise the Lord!
- Stephen Carrier invited me to **speak for three days at their church plant's first missions conference**. It was encouraging to see his church family embrace the biblical plan of reaching the world with the gospel!
- **Chile held presidential elections** in November. Lori and I enjoy the opportunity to vote in Chile since we are permanent residents. The top two candidates will now move on to a run-off election in December.
