Property Secured for Trinity Baptist Church

This month marks one year since we asked you to pray about the need to raise \$100,000 for property for Trinity Baptist Church in Quilicura. Over the past 12 months, we have witnessed God work through our faithful supporters to meet this need. **Churches and supporters from 14 states and 3 different countries gave by faith, and by late September, the project was fully funded! Praise the Lord!**

It was my privilege to accompany Pastor Rodolfo, pictured here, as he signed the closing documents on behalf of the church congregation. We will remember moments like these with gratitude for decades to come. Thank you for investing in this local church in Chile. Fruit will abound to your account as souls continue to be reached by this congregation.

Largest Evangelistic Outreach of 2024

For months our Chilean team has been working with *Medical Missions Outreach* to prepare to host a team for 21 volunteers for a free optical clinic at Cross Baptist Church in Santiago, Chile. During the optical clinic, we served over 1,300 patients and were able to share the gospel one-on-one with each person. **Over 400 people made a profession of faith!** We praise the Lord for the opportunity to plant the gospel seeds and see many come to faith in Christ. Now, we need your prayers as the local Chilean believers follow-up with all the new converts and contacts made through this outreach event.

Harvest Baptist Expands to Another Island

Two years ago, we sent Josue Moreno to the islands of southern Chile to serve in church planting. **By God's grace, Harvest Baptist Church has been steadily growing and now holds regular services on two different islands.** Remarkably, on one of these islands, they've been given the rare opportunity to teach the Bible regularly in a local school—something uncommon in Chile.

I had the privilege of visiting the islands and preaching at Harvest Baptist in late September. We are excited to see how God will continue to work as this church grows and reaches these needy communities with the gospel.
