## Two New Church Plants Coming Soon

Summer in the southern hemisphere runs from December through February. In March, school goes back in session, and regular life for most Chilean families resumes. This makes March or April an ideal time to launch a church. God willing, in March 2026, we will be partnering with two church planters (pictured here with their families) who have trained at Chile Baptist College, served in their local churches, and are being sent to reach needy areas of Chile with the gospel. We are thrilled to see what God is doing in Chile. To accomplish this, we need your help. **Would you consider giving a one-time gift or becoming a monthly supporter of this church-planting project?** We need \$12,000 for each church plant. In recent weeks, God has already provided nearly \$2,000! Thank you and praise the Lord!

All offerings can be sent to the support address listed below. Please include "Chile Church Planting 2026" in the memo. If you would prefer to give online, email us at [jason@connectchile.org](mailto:jason@connectchile.org) for more information. Thank you for your prayers and your partnership in the gospel!

## Serving Missionaries in Asia

This month, Lori and I had the unique privilege of traveling to Thailand to teach at Vision Baptist Mission's Asia regional retreat, gathering all the VBM missionaries serving across Asia. We thoroughly enjoyed the fellowship and the engaging conversations about evangelism, discipleship, and church planting in the Asian context. We were deeply challenged by the overwhelming spiritual needs across Asia. Along with the sheer vastness of the population and the cultural and linguistic diversity, most of these countries have fewer than 3% professing Christians. We pray that God will allow us to send laborers from Chile to Asia in the coming years.

## Prayer Requests:

1. Monday, September 1st, is the start of our spring semester at the Chile Baptist College. I will be teaching three courses before the end of the year. Please pray for all the students and teachers.
2. It has been 2 years since Liberty Baptist was forced off its property. God willing, we will finalize the sale of this property this month and will be purchasing another piece of property in the following weeks. Pray that God will guide and provide.
3. I will be traveling to southern Chile this month to preach for Missionary Luis Reppert. We are looking forward to seeing firsthand what God is doing in Valdivia, Chile. Pray that God will use me to encourage this church.
