August 12, 2024

Dear Pastor and Church,

Every Door in '24

We continue our efforts to reach every door in Fluvanna with the gospel in 2024. As of August, about 5700 homes have received a copy of John/Romans, with a clear plan of salvation and an invitation to visit FBBC. Our faithful attenders continue to be such a blessing in helping to put together envelopes to mail to inaccessible homes! We have been working in the southeast corner near Fork Union and Bremono Bluff, but are now working west toward Scottsville and southern Palmyra.

The Lord has sent us ten first-time visitors in the last two weeks. Praise the Lord! A military family of six, new to the area, has visited for two weeks in a row, as well as two single ladies and an older couple. It is always interesting to know how people “discovered” FBBC, as we do not yet have a permanent building. While several of the visitors came from flyers put on their doors, a few just saw the signs that get put out on Sundays in front of the Fluvanna Co. High School on route 53. Please pray for continued fruit from our door-to-door outreach.

Preparing for the Fair

On Thursday through Saturday of this week (August 15-17), FBBC will have a booth at the Fluvanna Co. Fair at Pleasant Grove Park. Our people have contributed water bottles and small prizes for the kids. To get people to stop and talk, we will have a prize wheel for the kids to spin, a small giveaway for the adults, and free water. Most importantly, we aim to get

the gospel to those we meet at the fair. We've purchased 2,000 tracts, as well as many gospel coloring books. Last year we were able to give out over 1,800 pieces of gospel literature! Please pray fervently with us for good health and safety for us and our kids, for good weather, a good location within the fair, and for conversations with the people we meet about their spiritual health. People today are not always excited to see strangers at their doorsteps. So, the fair provides a wonderful opportunity for us to meet people in a neutral setting and have conversations with them.

Bible Study

Our Thursday night Bible study usually meets at the Fluvanna Co. Public Library's conference room. The wonderful thing about the conference room, besides its appearance and convenient location, is that it is FREE! However, during September and October the library holds its annual book sale, and the conference room is not available for meetings.

Last year we met at a Ruritan community center in Troy. While the building was adequate, it was farther north in the county, and it cost almost \$400 a month to rent. As we began looking at places to meet this year, the Lord helped us to see an ad in the local Fluvanna Review for a room at the firehouse. On inquiry, we were quoted a much better price, \$50 a month. Hallelujah! The room has the benefit of being a more comfortable place in a better location, just outside one of the Lake Monticello security gates. We are planning to send postcards to people who live inside of Lake Monticello in that area, inviting them to visit the Bible study. Please pray with us that this location close to that community will lead to more visitors from the closed community of Lake Monticello.

Upcoming Events . . .

As we look forward into the fall, we have two other larger outreaches scheduled. We will have a booth at Fork Union Day on September 14, and a Kids' Bible Adventure day at the park on October 19. Invitations for the kids' day at the park will begin to go out this week at the fair, as we encourage families to pre-register. Please pray for wisdom for us as we prepare for these outreaches into the community.

We so appreciate your prayers and your support for Foundations Bible Baptist Church and for our family as we serve the Lord here in Palmyra.

Yours for souls in Fluvanna County,

Scot and Julie Jobe
