Dear Pastor and Church,

Missions Month

In November, Foundations Bible Baptist Church had its first missions month. The Bailes joined us with a missions challenge on the first of the month. We also hosted the Windnagles to the U.S. military in South Korea on November 16, and the Jimenez family to the Navajo reservation on November 30. All were a blessing, and the congregation enjoyed the fellowship, gave generously to the love offerings, and helped with feeding our visitors. Our kids' choir provided special music as well. We are expecting to be able to take on both families for support. What a blessing it was for us as a church!

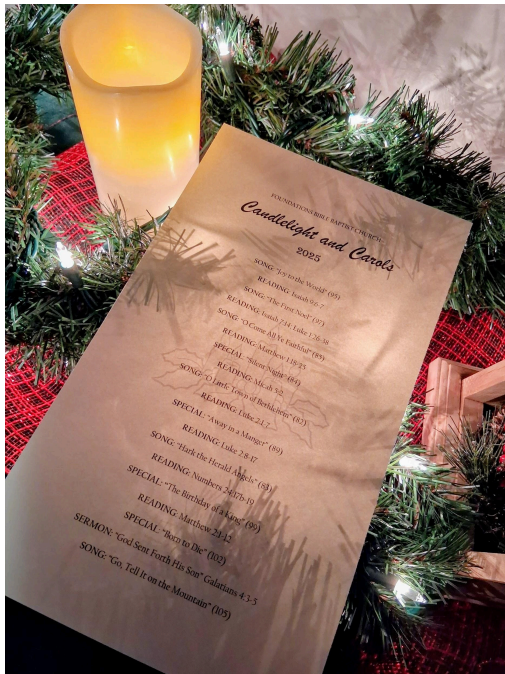

Recent Developments

Early this month, we renewed our lease for another year. In addition, we leased an extra space in the strip of offices behind our main building in order to create a separate space for Sunday school and children's church. We are so grateful for the kids that attend and are glad that they will have a space where their singing and such will not be a disturbance to the adult main service. Too, this additional space lets us

have a dedicated nursery for younger children. As we take this step of faith in providing space for more children and babies, we are praying the Lord will fill our classrooms with children who need to hear the gospel.

We also had the opportunity this month to have a longer meeting with a family that has visited several times but currently attend elsewhere. Please pray for Earl, Robin, and Rachel, that the Lord will give them direction as to where He would have them attend. Please also pray as we visit Peggy, Donna, and Joanna. We continue to earnestly ask the Lord to help us reach more souls who need to be saved, more families, and more faithful men to lead and help in the work.

Candlelight and Carols

In the weeks leading up to our special Christmas celebration, called Candlelight and Carols, we sent out over 300 postcards and gave out another 200 cards door-to-door. Too, we did some advertising on social media. As the day started out with ice and snow, we were unsure how the evening would progress. Praise the Lord that He sent us five first-time visitors despite the frigid temperatures! We enjoyed reading Scripture and singing carols as a congregation, as well as several specials, followed by a clear salvation presentation. Afterwards, we enjoyed refreshments and the extra time to fellowship. Please pray as we follow-up with those who visited for this special night.

We pray you all have a very Merry Christmas celebrating the birth of our Savior! Thank you so much for your prayers and support as we seek to share the good news of Jesus here in Fluvanna County, Virginia.

In His service,

Scot and Julie Jobe
