Dear Pastor and Church,

Every Door in '24

Every week we update our poster board-sized map of Fluvanna so that the people can see our progress in reaching every door in Fluvanna County by the end of 2024. We can tell that the end of the year is nearing as the map is getting full! So far, over 7,200 doors have been reached with a John/Romans and an invitation to visit our church, whether by door-to-door visitation or by mail for those not directly accessible. That accounts for about three-quarters of the county. About 2,000 of the remaining houses are inside Lake Monticello, the gated community in the western portion of the county. With no direct access to this community, we will be sending postcards to those houses in the next few months with a QR code that links to our website and a presentation of the gospel. Please pray for God's blessing on the gospel as it goes to the remaining homes in the county in this last quarter of the year.

Anniversary

October 6 marked one year since our official kick-off in the fall of 2023 with our Get Acquainted Meetings. To celebrate the anniversary, our sending church, Albemarle Baptist in Charlottesville, moved its evening service out to Fluvanna to worship with us. What a joy it was to see all their faces again and have time to fellowship! It was also quite a different experience to have all the seats filled! We were encouraged that twelve of our regular

attenders, including some that do not usually attend the evening service, showed up for this special time. We are so thankful for our sending church's support and encouragement. They were such a blessing! As we reflect on what God has done in this past year, we are thankful too for all the churches who faithfully support us and pray for us.

Kids' Bible Adventure

We have spent quite a bit of time this last month prepping for the Kids' Bible Adventure which will be held at Pleasant Grove Park on October 19. Many invitations have gone out by mail, many have been put in door hangers on doors, and posters have been posted on

community bulletin boards around Fluvanna. We have also run a facebook ad and put an ad in the local paper, the *Fluvanna Review*, to publicize the event. So far, about fourteen kids are pre-registered, with several more who have said that they will come. Over half of that number are new children from the county! Please pray for health for us and the workers coming to help us, for safety for all involved, for a clear presentation of the gospel, and for hearts to respond. Also, as the

event will be held outside, please pray for good weather on the 19th.

Another outreach will be a "reverse trick-or-treat" on October 27 after the morning service. We will go out into a local neighborhood, giving out some candy and the gospel.

Thank you for praying!

Yours for souls in Fluvanna County,
Scot and Julie Jobe
