Dear Pastor and Church,

The second week of August brings the Fluvanna Co. Fair, which runs Thursday and Friday nights and all day Saturday. This year we had a new location, up with other vendors across from the rides. The Lord allowed us to get out almost 400 tracts, all the bottled water that we brought each day, and all of the children's gospel coloring books that we had purchased. On Friday night, we had some unusual excitement, as our phones began going off repeatedly about tornado warnings. As soon as we could get all our materials under cover and the tent lowered, we hurried (with everyone else at the fair that night) out to our car. We had spectacular lightning and rain, but thankfully God spared us from the tornadoes and hail that had been forecasted. The tent remained unscathed. We were very grateful!

Our next outreach is this Saturday, August 12, at Fork Union Day from 9 to 3. The community holds a parade that goes through Fork Union, and vendors and food trucks set up on the campus of Fork Union Military Academy, about 2 miles from our building. This year will be our

third year setting up a booth at this event. Please pray for good weather, for ample opportunity to give out gospel tracts and coloring books, and especially for conversations with people that will lead to further contacts and to salvation.

We are also planning a big day the first Sunday in October called Harvest Sunday. Invitations are already going out. Please pray that the Lord will bless our visitation in the next few weeks as we invite the community, as well as neighbors, friends, and family.

Our missions month also starts in October. We are excited to have three missionary families visiting this fall! Please pray for safety for the families who visit, for wisdom as we prepare to host them, and that the Lord will touch hearts in the faith promise mission commitments that will be taken at the end of the month.

August and the beginning of September brought us several new and returning visitors. Please pray that we will have wisdom following up with these families, and that the Lord will add faithful members to FBBC. We continue to pray for souls to be saved here in Fluvanna as we doorknock.

We are grateful for both your prayers and support as we serve the Savior here in Fluvanna County, Virginia.

In His service,
Scot and Julie Jobe
