August 2024

Dear Pastors, partners, and friends in the ministry,

Greetings! It is hard to believe it is August already. Last month was full of preparation for the next semester, another World's Cheapest Missions Trip (WCMT), teaching at my home church, and celebrating another anniversary.

We began the month by picking up our oldest daughter and her family at the airport. It was so good to see them again. As many of you

know both our daughters are serving on the mission field, and our oldest Emma, her husband, Robert

Becker, and our two granddaughters came back from Argentina for a short furlough. We were blessed to see them many times in July. We had a great time celebrating Independence Day together. We are very grateful for this country and the freedoms we enjoy. The month was full of preparing campus for the new school year and for classes. We praise the Lord that the guy's dorm was completed in July.

We hosted our third and last WCMT and had another great group. Rebecca and the other ladies did another incredible job providing meals for the group as they did all summer. God was so good to

allow us the opportunity to show another group of folk the religions and cultures that represent a large portion of the population of the world. The students saw

firsthand that the need for the gospel is great!! We had several who signed the pledge to change their default setting from NO

to GO! We look forward to all that God will do in and through these brothers and sisters in Christ. Please pray that God will raise up more laborers!

Also, this month, I had several opportunities to teach at Vision Baptist Church in adult and kids Sunday School. It was a blessing.

Lastly, Rebecca and I celebrated our 31st wedding anniversary. I am so grateful for the years we have had together. God has been so good to us. We celebrated by hanging out with the Beckers. We thought that playing with our granddaughters was a great date night.

Praises and Prayer Requests:

- Praise God for all our partners in the ministry.
- Praise God for another great WCMT.
- Please pray for more laborers.
- Pray for the start of school.
- Pray for more students.

Thank you for your partnership!

Sincerely in Christ,

Ty and Rebecca
