## Deputation Director and Church Planting Representative for Asia

Dear Pastors, partners, and friends in the ministry,

January/February 2025

Happy New Year! It is hard to believe that we are already one month into 2025. I am combining our January and February prayer letters to share with you all the wonderful ways God has been working in our lives and ministry over the past couple of months. December and January were filled with family time, teaching, and administration at Vision School of Missions (VSM), a missions conference, sending two missionaries to the field, and welcoming a new missionary family to Vision Baptist Missions (VBM).

### Family Blessings

We were blessed to spend time with both our daughters and their families. It was the first time we had all been together since Tommy was born, making it a particularly joyous occasion. We thank God for the gift of family and for allowing us to share such precious moments together.

### Ministry at Vision School of Missions

We successfully concluded the Fall semester at VSM, sending off one student for an internship in December. The Lord has blessed us with students who are hardworking and have a great spirit, and it is truly a privilege to teach and prepare the next generation of missionaries. Just three weeks later, in January, we kicked off the Spring semester and were excited to welcome a new student to

our program. We look forward to seeing how God continues to mold and use these students for His glory.

### Missions Conference in Alabama

In January, Rebecca and I had the privilege of traveling to Alabama for a missions conference. I had the opportunity to preach for three nights and again on Sunday morning. The Lord truly blessed the time, and we deeply appreciated the warm fellowship and encouragement from

this wonderful church. It was a joy to see their heart for missions and their desire to reach the lost with the Gospel.

### Sending Missionaries to the Field

We praise the Lord for allowing us to send two missionaries to the field in January! As Deputation Director, it is a great joy to help missionaries prepare and then see them finally reach their field of service. God continues to bless those on deputation, providing for their needs and enabling them to get to the field quickly. We ask for your prayers for these missionaries as they transition into their new ministries and begin the work God has called them to.

### Welcoming a New Missionary Family

We are also excited to announce that we have accepted a new missionary family at VBM. The Hooper family has a clear calling and a heart for missions, and we are grateful for the opportunity to assist them as they prepare to go to the field. I would highly encourage you to consider inviting them to your church to share their burden. You can learn more about their ministry at their website: <https://withallboldness.com>.

### Praises and Prayer Requests:

As we reflect on this past month, we are filled with gratitude and eager anticipation for what lies ahead. Please join us in praising God and bringing these requests before Him:

- Praise God for all our partners in the ministry.
- Praise God for new students.
- Pray for the beginning of the semester.
- Pray for the China Goforth Tour 2025
- Pray for more laborers for the harvest.
- Pray for all those on Deputation.
- Pray for the two sent to the field in January.

Thank you for your partnership!

Sincerely in Christ,

Ty and Rebecca Pepperdine
