Church Planting In Paraguay

April 2025 Prayer Letter

Ladies Meeting

This month Iglesia Bautista Esperanza held its first ladies meeting since we arrived. Ladies aged from teenagers to grandmothers enjoyed a time of fellowship and learning from God's Word together. The church is made up of several young ladies, and Lauren was able to host them the evening before in our home. We look forward to many more meetings ahead as the Lord continues to grow His church!

One Year on the Field

On March 13th, we reached the milestone of one year in Argentina! We are incredibly grateful for the relationships we have gained and for all that the Lord has been teaching us. Through every change and circumstance, God has shown Himself good and faithful to us. Most of all, we praise Him for the souls who have come to know Him as their personal Savior this year. Please continue to pray with us as we continue to learn during our time in Argentina and look ahead to Paraguay.

Regional Conference

Our mission board held its regional conference in Panama at the end of the month. We were very thankful for the fellowship with friends and teaching that we received. It is a blessing to have missionary friends all around Latin America as we strive together to plant churches and see souls saved. We left both refreshed and encouraged from our time spent together!

In Christ,
