Church Planting In Paraguay

August 2024 Prayer Letter

Youth Group Meeting

Each Saturday we have a youth group meeting with all of the teenagers from Iglesia Bautista Esperanza. This month we were able to host the youth group in our home before their winter break. We had a great time playing games, eating pizza, and hearing from God's Word. Their break from school is now over, and we will resume having our regular youth group meetings at the church. **Please pray that the Lord will continue to use this time to grow these teenagers spiritually.** Many of them are not saved, but do have an interest in learning and hearing from the Bible.

Advancing In The Language

We have now been in language school for just over two months! We have learned so much already. In total, there are five books that we will go through with our teachers in our classes. I just completed the first book and started the second this week. Lauren will be finishing the second book and beginning the third this month. We enjoy the daily opportunities we have in life and ministry to practice the language. Thank you for praying for us as we continue to progress in learning Spanish.

Upcoming Kid's Day

Over the past several weeks we have been working together with our language school teachers to plan an event for Kid's Day at the church. On August 17th we will host this event to prayerfully reach children and their families with the gospel. **Would you please commit to praying for this event over the next few weeks?** Pray that we would be able to see more families come to know Christ as their personal Savior through this event.
