Church Planting In Paraguay

## December 2024 Prayer Letter

### Upcoming Events

It is hard to believe that we are quickly approaching the end of 2024. The church has several upcoming events that will focus on Christmas and the New Year. The goal behind these events is to focus our hearts and minds on the true reason for this special season; the birth of our Savior Jesus Christ. Please pray with us that the unsaved who attend will be able to hear the gospel and come to know Christ.

### Pastors' Conference

This month I had the privilege to attend a pastors' conference hosted by Faith Baptist Church. This was the first time this conference had been held, but ended with great success. We were challenged by the preaching of God's Word and encouraged through a time of fellowship as we shared a meal together. The conference was a special blessing to me as I was able to meet several pastors and Bible college students. It was wonderful to hear how God is working through local churches to advance the preaching of the gospel!

### Language School

Over the past month language school has begun getting more difficult as we are learning complicated language patterns. We are thankful for our teachers who help us understand how to use what we are learning. Please continue praying for us as we are learning and practicing daily.
