Church Planting In Paraguay

## December 2025 Prayer Letter

### Missions Conference Month

This month, both churches here held their missions conference. For Iglesia Bautista Esperanza, this was their first ever missions conference. We were excited to get to participate in both, and I was privileged to preach as well. The people of Esperanza really enjoyed the weekend, and it was exciting to see how God continues to work in and grow Iglesia Bautista Fe. Please pray that God would work in the hearts of the people to give towards missions.

### Preaching Opportunities

During our last few months here, I am grateful to have had many opportunities to visit other churches and to practice preaching in Spanish. At the beginning of December, we visited Iglesia Bautista Berea. The Lord is greatly using Pastor Hernán and his wife as they have remained faithful to Him throughout the process of planting a church. It is encouraging for us to fellowship with those who have gone before and to glean from their wisdom.

### Last Visa Trip

Throughout our time in Argentina, we have had to leave the country several times to renew our visas. Each time we have seen God's faithful hand as we enter back into the country. For our very last trip, we were able to take some of our very good friends over the river to Uruguay. It will be hard to say goodbye to so many people who have become great friends to us. We praise God for His faithfulness and love!

In Christ,
