Church Planting In Paraguay

## July 2024 Prayer Letter

### Investing in Young People

This month has been a tremendous time of language learning, ministry, and building relationships. Having just arrived here in Argentina a few months ago, we are still getting to know the church members and establishing relationships with them. Throughout the week, we have enjoyed getting to host many of the young people from our church in our home. There are two young guys in particular, Brian and Yago, who attend the church that I have had the opportunity to spend much time with. On Wednesdays at church, Brian asks several questions to the congregation about the Bible study we are going through. Every Wednesday, we do different things around the house, write the questions and answers, and eat a meal together before church. Both Brian and Yago are faithful to church, maturing, and growing in the faith. Please pray that the Lord will continue to work in their lives and allow us to be a blessing and example to them.

### Questions & Curiosity

We have had many young people visiting for our youth group meetings and church services. They are asking questions about the Bible and very interested in learning more about the Lord. Please pray for wisdom as the pastor answers their questions according to God's Word, that they will put their faith in Jesus Christ, and that they will commit to serving the Lord. Also, when we are in town, we are often asked what we are doing in Argentina. These questions have been a wonderful opportunity to share the gospel and invite others to church. Please pray for those who have been invited. We are praying that the seeds that have been planted will one day bring forth fruit!
