

Robbie & Lauren Prater

Church Planting In Paraguay

June 2024 Prayer Letter

Language School

This month we were able to finish setting up everything for our everyday life here in Argentina. We were also able to start language school! Over the course of the next year or so, Lauren and I will be taking intensive language training classes. We each have our own teacher who walks us through the lessons, helps with our pronunciation, and corrects our grammar errors to help us speak properly. In just the short time we've been in language school, we have already learned much that has helped us to better communicate. Please pray for our us to be able to learn the language well, and for our teachers as they help us through the language school process.

Planting Seeds

Over the past month we have had many opportunities to plant the seed of the gospel. Lauren has been able to share the gospel with several Uber drivers as well as a lady she met while on outreach with the church. As a way to practice the language, I was searching for a place to go or someone to practice with outside of class hours. I met a young man working at a local meat market that I have now spent many hours with planting and watering the gospel seed in his heart. He has had many questions about the Bible and how to know the Lord personally. To the best of my ability in the language so far I have tried to answer his questions and lead him in how to know the Lord as his personal Savior. He does not have much interest in going to church, but the Lord has allowed for us to have a friendship and begin building confidence with him. We know that the greatest thing anyone could ever do is place their faith in Jesus Christ! Would you commit to praying for each of these people this month and ask God to bring them to HIM? We serve an amazing and powerful God and we know He is the only one Who can soften their hearts and bring them to a place of putting their faith in Jesus Christ.

His servants to Paraguay,
Robbie & Lauren Prater

Prayer Requests:

- Language school
- For those that we have had the opportunity to witness to
- Continued growth of the church
