## Church Planting In Paraguay

### June 2025 Prayer Letter

#### Preaching Opportunities

I had the privilege of preaching my first sermon in Spanish at Iglesia Bautista Esperanza. Due to illness among many in the church, I also had the opportunity to lead two of the services this month. We are very grateful to serve under the Henry family and for the opportunities they give us to grow and serve in the church. Please pray for us as we will be visiting a sister church an hour away this Sunday.

#### English Classes

Thank you for your prayers as we started our English classes. We are praising the Lord for the 21 students who attended the first class! Many of them expressed interest in visiting the church. We had the opportunity to present the gospel at the end of the class and are praying that the Lord would work in the hearts of those who attended. Please continue to pray with us over the next seven weeks as these classes continue.

#### Teenagers of Esperanza

Please pray with us for the teenagers at the church. With the start of the new school year, several of them have been struggling in their walk with the Lord. A few have stopped attending, and we are praying for them as well. We are thankful for the opportunity to disciple several of these young people and are praying that the Lord will continue to grow their relationship with Him.

In Christ,
