Church Planting In Paraguay

November 2025 Prayer Letter

Iglesia Bautista Redentor

During the month of October, I had the special privilege of filling in for a pastor friend at Iglesia Bautista Redentor. I am always thankful for the opportunities God gives me to preach in Spanish. We spent three Sundays with them and even enjoyed celebrating Mother's Day with the church. We had mentioned visiting this church a few months ago in our prayer letter, and it was encouraging to see how God is growing and using the people there.

Discipleship

One of the most exciting ministries we get to be a part of is the discipleship going on at the church. Lauren and I are privileged to meet with several people throughout the week, both in English and in Spanish. It is encouraging to see how God continually transforms the lives of believers to be more like Him. Before our furlough, we plan to finish discipleship with several people. Please pray for their continued growth in the days ahead.

Upcoming Furlough

At the beginning of February 2026, we will be taking a short furlough before moving to Paraguay. We are looking forward to visiting our family and home church before beginning our first full term on the field. If you would like us to visit your church during this time, please contact me at the email address below. We would love the opportunity to update your church on what God has done over the past two years.

In Christ,
Robbie & Lauren Prater

Prayer Requests

- For continued growth at Iglesia Bautista Redentor
- For those being discipled at the church
- For our upcoming furlough
