Church Planting In Paraguay

October 2024 Prayer Letter

Salvations

Luke 15:7 "I say unto you, that likewise joy shall be in heaven over one sinner that repenteth, more than over ninety and nine just persons, which need no repentance." **This month we were able to see this verse become reality not just once but TWICE as we had two teenagers put their faith in Jesus Christ.** One of them has been coming to the church since its foundation, and the other has recently started visiting. It is amazing to see the living Word of God working and young people responding as the Holy Spirit convicts them of the lost state of their soul. We are rejoicing in how God is working, and pray that we will see more men and women saved in the coming days. We know that once a person makes the decision to follow Christ, the devil will start attacking even more. Pray that these new believers will decide to fight the good fight and run their race to the end with unwavering faith.

Evangelism and Outreach

Each Saturday as a church we meet together to pass out invitations in the area surrounding the church. We also often have special outreach events to reach more people with the gospel. Through these events we have seen several first time visitors and a few returning visitors. **Please pray for us as we meet each week for evangelism and continue hosting different events as a way to reach the community.**

Language School

It is hard to believe that we have now been in Argentina for six months! This month we completed our fourth month in language school. We are thankful for our teachers who have invested so much time into us and have become close friends. Thank you for your continual prayers as we learn and practice the language daily.
