Church Planting In Paraguay

October 2025 Prayer Letter

Visiting Paraguay.

This month, we were excited to take a week-long trip to Paraguay with the Henrys. During our time there, we surveyed some of the areas in Asunción, looked at houses, and got a better idea of what setting up will look like for us when we arrive. There are so many areas around the capital in need of a gospel-preaching church. Please continue to pray that the Lord would give us wisdom in each step ahead as we prepare to move to Paraguay next year.

Iglesia Bautista Victoria

We also had the privilege of visiting Iglesia Bautista Victoria twice during September. We were invited to their six-year anniversary service, and it was very encouraging to see how God is working in the church. It was exciting to see how God has grown the church and prepared an upcoming pastor to serve them. I also had the privilege of returning two weekends later to attend their men's retreat with some of the teenagers from Esperanza.

Upcoming Furlough

At the beginning of February 2026, we will be taking a short furlough before moving to Paraguay. We are looking forward to visiting our family and home church before beginning our first full term on the field. If you would like us to visit your church during this time, please contact me at the email address below. We would love the opportunity to update your church on what God has done over the past two years.

In Christ,
Robbie & Lauren Prater
