

PRATERS TO PARAGUAY

UPDATE | October 2026

Getting Settled

This past month, we have been adjusting to our new life here in Paraguay. The Lord has truly blessed our time here so far. We have already been able to rent a house, purchase a vehicle, and acquire many of the furnishings that we needed. Although there have been a few bumps in the road, we are extremely thankful for the progress that has already been made as we continue working toward getting completely settled here in Paraguay. We are also incredibly thankful for the help and encouragement from Lauren's parents and a veteran missionary family here in Paraguay during this transition.

Preaching in Paraguay

Over the last several weeks, we have been visiting Victory Baptist Church in Lambaré, Paraguay. We visited this church several years ago on our survey trip, and since then, they have faithfully been praying for us. The pastor invited me to preach and Lauren to sing one Sunday this month, and it was an honor to be able to preach to this wonderful, God-fearing church. Please pray that God would continue to bless Victory Baptist Church and all that they are doing to reach their community with the Gospel of Jesus Christ.

Gospel Conversations

We have already had the opportunity to meet so many people and share with them that we came to Paraguay to preach the Gospel. One person who especially sticks out to me is the barber who recently cut my hair. He is 20 years old and very interested in growing in his faith and learning more about God. Through our conversation, it became clear that he is trusting in his own good works for salvation. Please pray that God would soften his heart to the Gospel and that I would have more opportunities to share the love of God with him.

In Christ,
Robbie, Lauren, & Shepherd Prater
