

April - June 2025

Dear Praying Friends & Family,

**Back to Nepal.** After completing deputation, I returned to Nepal in May. It's very good to be back! I spent a few weeks helping a couple of our older children research, visit, and choose a college. **Thank you for praying for Pawan and his decision about future studies.** He has decided to pursue his interest in cooking. In the fall, he will be attending college to earn a Diploma in Culinary Arts. Before his studies begin, Pawan will move out of the children's home and live with my friend Renae and her husband Will. Pawan will work to cover his personal expenses, and **we are looking for sponsors to help pay for his education.** For more information about helping with Pawan's education expenses, please see the information below\* and the letter included.

Prasansha and Shayu's Birthday

**New Ministry Opportunity.** In June, I began teaching morning English classes to students at a leadership training center. My students are ministry leaders or future ministry leaders who are studying English to communicate with American guest teachers, to use English Bible study materials, or to study in an English medium Bible college. I'm grateful to help them prepare to serve the Lord. It's good to be teaching again!

**New Fellowship.** In April, a group of believers and unbelievers in southern Nepal began attending our church services via Zoom. Once a month a few leaders from our church travel there to hold in-person services. I look forward to traveling with them from time to time to teach Sunday school.

Please continue to pray for the **salvation of Pasang, Anik, Soniya, Sima, Shayus, Alish, Siya, Sudeep, Anish, and Minchu.** Thank you for your faithful support and prayers. God is good, all the time, and He knows best!
