A SIGHT TO SEE!

Iglesia Bautista Vision in Caldas:

•Discipleship:

- Today as I walked into our rented church building, looking for a place to sit down and teach a discipleship class, I went into the first room but it was busy, **brother Roger was doing a discipleship lesson with another young guy from our church.**
- I tried the second room but it was also busy, **sister Sandra was doing a discipleship class with another lady** that just started coming to our church.
- I then tried the third room but there was **brother Camilo getting ready to start a discipleship lesson with another man** that arrived a few weeks earlier to our church.
- It was a sight to see!
- I loved seeing what God has done.

- At the end of 2018, in November, when this first church plant was started;
 - It was just my wife and I but God has blessed immensely.
 - This is what I dreamed seeing, people teaching others about our Savior.
 - We love seeing people discipling others.

Iglesia Bautista El Refugio in Bello:

- In the Bello church plant we are going through a study of the **book of Galatians.**

- It has been very helpful to teach through this book here as it deals with the problem of adding anything to the Gospel.
- Many people here come from a religious background that believes in a works based salvation.
- God through Paul in this letter to the Galatians helps us to understand that salvation is only by grace through faith. **No works of any kind that we do could ever save us/justify us.**

- Our Kids class is growing!
 - Please pray for one little in particular Chris:
 - **His father, a young man, has been battling cancer for a few years.**
- Please pray for the **several visitors** that we have had in the last few weeks.
