JANUARY/FEBRUARY 2025

MISSIONARIES TO PERÚ

Camp Ministry

January and February are our summer months and are full of team ministry opportunities. In January, we were able to hold our 2nd Family Camp. We had around 125 people attend. Sara and I were both able to teach a class as well as overseeing the camp kitchen and snack shop. We are thankful for those who were able to attend and for the encouraging time that it was. This week we will have our teen camp, continuing with our same "Armor of God" theme. Please pray for us as we teach and minister. We have 23 teenagers from our church going, and around 75 total who are signed up to attend. Thank you to those who gave to sponsor in both camps. We were able to use those gifts to help one family attend and to provide 1/2 scholarships for 12 teenagers. Please help us pray for spiritual fruit that will remain from these times!

For the second time, Josiah, Caleb, Joshua, and I were able to attend a camp in Lima for missionary children. It was an encouraging week for the boys to be able to reconnect with friends from last year and spend time with other teenagers who face many of the same challenges they do. I was able to preach once and serve as one of the counselors. We are

We are so very thankful for each and every one of you and for your faithful prayers and support of the ministry here in Tacna. Thank you to each one of you that gave special Christmas gifts. You are so very kind!

Your servants for the Savior,

Robert & Sara Stover and Family

thankful for this opportunity to invest spiritually in the lives of our children.

Vacation Bible School

February 6-8 we held our Vacation Bible School. We saw around 50 children attend each day. It was a blessing to have quite a few church people helping, with some stepping up for the first time to teach and lead different parts of the program. We have a new family and several new children who have begun attending Sunday morning services who are fruit of the VBS.

Membership Class

We have recently started classes on Sunday evenings focusing on the responsibilities and privileges of being a member of a local church. Though our church is officially registered with the government, we are working towards the day we will officially charter the Redemption Baptist Church.

Please pray for:

- Special services for our church's 3rd anniversary in April
- Evangelistic activities on Resurrection weekend
- Salvation and spiritual growth for several new families who have been attending the church
