Pray for Laborers!

Hope Baptist Church has begun services in our newly renovated location. Thank you to all who have been praying for us! We held our first service at the new location on Sunday, June 2nd, and we are excited about what the Lord is doing. With a team from the States arriving in just a couple of days, we are planning to host an English Corner activity for college students to come and practice speaking English. This, Lord willing, will provide us with opportunities to meet new people and share the gospel with them. So far, eight college students have expressed interest on social media. Please pray for this opportunity.

Please continue to pray for Miss Wu. She has begun to meet with Anny to study the Bible. So far, they have met three times, and they intend to meet weekly going forward. Miss Wu is asking great, deep questions about various topics like eternity, the incarnation of Christ, and the trinity. This seems to be evidence that she is seriously considering what it means to trust and follow Christ.

During a recent traditional festival, we at Hope got together for a special lunch and then made an impromptu trip to the park. We began throwing frisbees and had strangers want to join in and play with us. **One man named Chachao (feel free to call him Cody) got to know us and seemed interested in the Bible and Christ as well.** We exchanged contact information, and the very next day we were able to have dinner and coffee together. I shared the gospel with him and he was curious to hear. Since then, we've kept in touch and I pray that there would be more opportunities to tell him about Christ and study the Bible together in the future. He works at a factory twelve hours a day and only has about four or five days off a month. **Please pray that Cody and I could make time to meet up and study the Scriptures together.**

As of the writing of this letter, the Goforth China Tour officially begins in just two days. This is an exciting opportunity to show the harvest in China to this team of four and have them work with us to preach Christ. They will spend a couple of days here in Suzhou and be involved in the English Corner activity mentioned above. Afterwards, they will travel with me to a few other cities including the city where I was able to participate in the ordination of two Chinese men back in March. The team will attend church services and have more ministry opportunities there. The harvest is great! The laborers are few! **Please pray that the Lord would raise up future missionaries to China from among this group!**
