

The WRITESSEL To SPAIN Family

Hello Praying Family,

June 2025

We are back home in Spain! Our trip to the US was brief but very full. We were blessed many times over. We are trying to get our schedule reset this week, we returned to Spain on June 11th.

Andrew's graduation was wonderful. We had many family members attend. We thank all of you who sacrificed your time to be there for Andrew. He gave a quick speech of encouragement to his fellow classmates. We are very proud of him, and looking forward to what God has next for him. He has stayed in AR and will be attending Bible Baptist College in Jacksonville, AR. This is located at our sending church. Please pray for him as He begins in August. He will be looking for a job this summer that will hopefully work with him while he attends classes. If you would like to send letters of encouragement, you can send them to our sending churches address.

Elisabeth will stay in the states until the end of July. She will be attending Camp BIML. She is excited to spend time with her stateside friends but is ready to get back to Spain for a brief moment. She will be with us in Spain for about a month before returning to Romania for her second year of Bible College. Please pray for her travels, as she and Andrew will traveling up to Sarah's this summer also.

Lily is now the last one at home. She has one more year of high school and then graduates next year. Her plans are to travel with us on our long furlough next year and then return to Spain for a break from school. She will be attending bible college for at least one year and then She is praying about the next steps. Please pray with her as she wants to be in God's will and serve him in whatever place He wants her. She is going to be a counselor helper at the summer camps this year. This is a very exciting thing for her.

Brenda and I will be preparing our home for a the move to Leon. There are many factors that are still unknown and we are waiting on God for answers to many questions. We know we are going to start a church in the area, but everything relies on God's timing.

This month we will be having our first Missions Conference at the church in Fuenlabrada. The church is buzzing with excitement. Pastor Jhorddy has been teaching in Sunday School about the importance of missions, the responsibility of the church, and the role of being a supporting church. Many have never heard of these things before, and are embracing the idea of being a supporting church for missions. It is amazing watching God open up their eyes to see the need of sharing the gospel to all those that are around them. Missions is not just accomplished in a foreign land. it is the sharing the gospel to whomever will hear it, in wherever we are located.

We visited a few churches while we were in the states. We would like to thank each one. NHBC in Ward, AR for blessing us financially. The missions conference was busy but very helpful. GBBC in Corinth, MS for allowing us to update the church and stay in a wonderful prophet's apartment. FCBC in Prattville, AL for allowing us to stay in a great PC for a week. VBC in Millbrook for giving us the opportunity to present our ministry at our son's church. FBC of Atoka for a great PC and the ability to update a supporting church. HBC in Villa Park, MO for the blessing of presenting and preaching at Nathan and Sarah's church. Of course for BBC in Jacksonville, AR for providing us a car to use, a PC to keep our extra luggage, and for all the church family. We are so thankful for all of these churches and all of the people who have sacrificed and prayed for us. We are excited to see what God has planned for us this summer!

Prayers: Andrew and Elisabeth travels, Missions Conference in Fuenlabrada, Language, Summer camps, VBS in July, Renewal process begins again in July.
