The WRITESEL Family To SPAIN

Dear Pastors, Family and Friends, May 2026

"Making request, if by any means now at length I might have a prosperous journey by the will of God to come unto you." (Romans 1:10)

Our journey has begun. As I write this letter I am in Jacksonville, AR preparing for our 6 month furlough. We are blessed with the opportunity to visit many of our supporting churches this time around. Please pray for our journey. We will be reporting on what God has been doing in Spain, and presenting what God has planned next for us. Thank you in advance for praying for our furlough and for God's protections as we travel.

Ministry

We began the month with our Resurrection Sunday service. We had many visitors and I was given the privilege of preaching. I preached a message titled, "He is risen, what do we do now?" The Lord blessed the service and many made decisions to refocus on God's will for their lives.

We then had a group from Mexico arrive on the 11th. There were 9 of them. This group formed a college music group called Rondalla Peniel. They arrived with thousands of tracts and a willingness to go out everyday. We witnessed many receive Christ. We also witnessed Satan attacking. They started in our city of Fuenlabrada, but when they were witnessing close to a school, someone called the police on them and they had to stop. I was able to assist on a few of the days they were there, and Pastor Jhorrdy was able to be with them most of the time. It was a blessing to see their willingness to share the gospel. Pray for these young men, I believe God is putting Spain on their hearts. They saw firsthand the oppression that exists in Spain, but also saw God working miracles.

One such miracle was a young spaniard lady who was witnessed to at the train station. She accepted Christ as her savior and then attended church the next Sunday. After the services, she made the decision to get baptized. What a blessing for our church to witness this. Pastor's Jhorrdy's wife, Dilmary, is now discipling her. It is an amazing testimony to what God can do when you just make the decision to witness.

The next miracle for our church was the gift of a van for picking up people. We cannot drive a bus around and pick up people, but we can use a large van. This group also helped with this huge blessing to our church. The last Sunday they were at the church, they surprised the church with the van. Right now, it is being repainted, minor repairs, and a deep cleaning, and it will be on the road again picking up people to come to church.

We have seen many people saved and baptized this year and are excited to see God continue to grow the church.

Family

During all this, we were preparing for our trip to the states. Lily graduated on May 13. Now all our children have graduated, so for the first time, no school in August. Weird to think about. Lily will be taking a gap year and coming back to Spain with us to help us with the new church plant in Leon. Andrew finished his first year of school. He has also been practicing to drive, having his permit already, and while we have been here He was able to get his license. He was also gifted a car. Jereme was a great blessing while they were here for the graduation, and worked on some minor repairs on his car. Elisabeth will finish her second year in Romania on May 30. Jereme and his family are doing great. He was promoted to a store manager at his job. Sarah and her family are also doing great. The church is growing and they are seeing young men interested in doing discipleship with Nathan.

Brenda and I could not ask God for more than our children knowing the Lord, and living their lives pleasing to him. We are now praying for our grandchildren.

Prayers: Furlough to be fruitful, safety in travels, Family health, Fuenlabrada church to continue to grow.

Blessings: We have partnered with a new church, thank you Mt. View, AR.

Your Missionaries in Spain,

The Writesel Family

GOD IS FAITHFUL, BY WHOM YE WERE CALLED UNTO THE FELLOWSHIP OF HIS SON JESUS CHRIST OUR LORD (1 CORINTHIANS 1:9).
